A CHILD'S PERSPECTIVE

"I think that it's fun. I think they make good food. I think the cabins are nice and pretty. I like Children's Meeting. I like church. That's all I like." Ben B.(6)

"The first thing that comes to mind are the mosquito bites! It wouldn't be camp without them! I look forward to knowing (or figuring out) what the theme is going to be for Children's Meeting. I like field day and memorizing scripture, too. Oh, don't forget the dining hall – they have good food! Seeing friends." Sarah B. (11)

"My favorite part of camp was riding bikes with Eain and spending time with my friends." Raymie C.(7)

"I like to help clean the cabins to get them ready for camp, playing with Allison, Michaela and Emma, eating pickles at the dining hall and catching toads, but I like Children's Meeting the most." Carissa L.(5)

"I like Richland Camp because I can learn about God. I also like it because it is fun and I can play with my friends. The 3rd reason why I like Richland Camp is because on some days I can play volleyball. To me Richland Camp is a nice place to worship and talk about God and it is a nice place to hang out and have fun." Skylynn K.(11)

"I can stay at camp all day and play with my friends in the playhouse. I play in Grandma's cabin and take naps. Children's Meeting is very cool; I love it really very much." Emma M.(3)

"I like going to Richland Camp; you get to see people, play games and talk to God. There are preachers that are good there and we raise money to make things better at Church camp. Church camp is made for fun with family and friends, and to open our hearts to God. This is why I like church camp." Brooke U.(11)

"I like playing with Malachi in the secret fort that no one knows about except Ethan, Ben & Malachi. I like being with Joanna and the dining hall because it has great food that they make. I like Children's Meeting; usually all of the verses you have to do are easy and fun." Eain B.(9)

"My favorite part of camp was playing with Carissa." Allyson C.(5)

"My favorite thing about Richland Camp is Children's Meeting, playing with Eain, Raymie and Ben at the fort, catching tree frogs and eating breakfast at the dining hall, if it's french toast." Malachi L.(7)

"Richland Camp is a place where I can play volleyball, work in the dining hall, be with my friends and family. A place where I can stay up late, go to church, children's meeting and have fun being a kid." Michaela (12)
